YOUTH LED GRANTS 2022 -2023
Criteria & Guidance Notes

1. Aim

The aim of the Youth Led Grants scheme is to support a range of small youth volunteering projects and activities, led and carried out by young people, with applications selected and recommended by a panel of young people aged 14-25.

2. ELIGIBILITY

If organisations are funded they should:

- Have a bank account, in the name of the organisation, which requires at least two signatures (or in partnership with an organisation with a bank account)

If you are a constituted organisation, please attach a copy to your application when you submit it. We do accept applications from unconstituted groups of young people provided they are willing to work with us to develop their governance for the purpose of effectively managing the grant.

3. WHAT CAN BE FUNDED?

The Youth Led Grants scheme will consider funding projects or one/off events that deliver VOLUNTEERING OPPORTUNITIES with and for a diverse range of young people (aged 14-25). All youth volunteering activities involving young people between14-25 are eligible to apply; however, priority will be given to the following:

- See volunteering to be a benefit to the individual volunteer and the wider community of Ceredigion
- Benefit young people between 14-25 years old within the organisation
- Young People with a physical or learning disability and living in Ceredigion
- Young People from Disadvantaged Communities such as Black, Asian & Minority Ethnic Communities within Ceredigion.

4. HOW MUCH CAN YOU APPLY FOR?

- Requests up to **£1000** will be considered for nonrecurring (one off) projects with a key youth focus.
- All funding received must be spent according to the budget you have drawn up in your application and all funding must be spent by **31st March 2023.**
- Any funding not spent by the date above must be repaid to CAVO.
- Previous Youth Led Grant funded projects can reapply for this year's GwirVol funding once previous grant projects have been completed and providing it is a separate project.

5. APPLICATION PROCESS

- Applications can be submitted in either written or visual formats (e.g. video, presentation, photos, voice recording) or a combination of the two. Applications must be sent to the Volunteering Officer at CAVO via email or post alongside the constitution for your organisation.
- The closing date for applications is **30th November 2022**
- As funding is limited, not all applications received will be supported and applications will be prioritised. We will try our utmost to signpost unsuccessful applications to other funders. Some applications may be partly funded.

6. APPLICATION ASSESSMENT

- Applications will be considered by a 'grants panel' made up of young people aged 14-25 years old, representing young people in Ceredigion.
- All decisions are final and at the discretion of the Youth Led Grants Panel
- The youth panel may invite the applicants into a meeting to go into more details about the project and to ensure that there is a high level of youth involvement, and it meets the aims of the funding.

7. MONITORING AND EVALUATION

All successful applicants will be expected to provide monitoring reports on their projects in line with the requirements of Wales Council for Voluntary Action (WCVA) in relation to the Youth Led Grant. This may include visits from CAVO staff where appropriate.
